

13-15 June 2017  
WTC Rotterdam

9<sup>th</sup> International Gas Analysis  
Symposium & Exhibition

## Meet the world's leading experts on gas analysis

Our biennial event is the best global forum on analysis of gases to become aware of the latest developments and applications in the industry and society.

**GAS Analysis 2017 offers you  
3 exciting days with:**

### Symposium

More than 60 lectures in parallel sessions on:

- Process industry
- Health, safety and the environment
- Energy supply chain
- Laboratory & process analysis

### Exhibition, poster area and networking opportunities

The exhibition floor with 38 exhibiting companies from all over the world and a poster area offers you great networking opportunities in an excellent ambiance.
